

## **Introduction: What's the source of your hope?**

1. We all depend on something or someone to “hold us up” inside.
  2. When that something or someone is “coming through for us” we experience a sense of peace, satisfaction, and optimism about the future.
  3. When that something or someone “fails to come through for us” we experience a sense of anxiety, dissatisfaction, and ultimately despair.
- **Conclusion:** It seems that the secret to a life of unending joy and peace is to find something or someone who will “come through for you” 100% of the time in any and every situation forever.
  - **The Solution:** Lamentations 3:21-24
