A practical picture for a lifestyle of abiding with Jesus:

A Tool to “Sync” with Jesus Daily

Step 1: Select a regular, consistent time each day

Step 2: Ask God to speak to you through His Word.

Step 3: Read the next portion in the scripture you’ve chosen.
(Old Testament, New Testament, or both)

Step 4: In a spiral notebook, write the date and then the word “YESTERDAY.” Then write no more than one page about your thoughts, reflections, and feelings about yesterday’s event and journey with Jesus. After that, write any thoughts about your reading today.

Step 5: **Adoration** – Praise God for who He is, His character, His power, attributes, and especially anything you read about Him earlier. Sing a chorus or hymn of praise.

Confession – Ask God to reveal anything that does not honor or glorify Him in your life. Sit quietly and allow Him to bring specific things to mind. Confess specifics NOT generalities.

Thanksgiving – Verbalize your thankfulness for specific things, events, people, blessings, and answers to prayer God has granted in your life.

Supplication – Ask God specific requests for yourself and others that you know are His will or that you simply desire.

Step 6: Listen – Be absolutely quiet before God and ask Him to show you...

- What is the “next step” in your relationship with Him?
- What is the “next step” in developing your character?
- What is the “next step” in developing your relationships?
- What is the “next step” in serving others?
