

Praises: Thank You Father...

1. For providing an astonishing Match number, then surpassing even that in its fulfillment, and finally, for continuing to bring strategic ministry opportunities for those funds!
2. For Your provision in bringing a wonderful, new Senior Pastor to Venture Christian Church, and in Your clear leading for Theresa and me to enter this new season of ministry through Living on the Edge.
3. For the daily impact of Your Word through Living on the Edge as You equip and encourage Your children - here in the US and around the world - to learn about Your goodness, kindness, and truth.

Prayer Requests: Father we ask You...

1. To draw people closer to Yourself through the teaching I will give on *Why I Believe* later this month, August 24-26, at the Billy Graham Training Center at The Cove.
2. To grant wisdom and supernatural guidance for Chip and Theresa, Venture Christian Church, and Living on the Edge as we transition over the next several months.
3. To grant peace, protection, strength, joy, and wisdom over all of the Living on the Edge staff and their families as we obediently step forward in faith to help prepare pastors, churches, families, and small groups to be instruments of righteousness and love in their spheres of influence.
