

Praises: Thank You Father...

1. For the way God used the teaching time and fellowship at the Billy Graham Training Center at The Cove last month to equip hearts and minds to communicate clearly and kindly “Why We Believe.”
2. For the outpouring of God’s generous love, wisdom, prayer and support throughout the transition at the church and Living on the Edge so far.
3. For the Holy Spirit’s protection of the Living on the Edge board, staff and their families as we step out in obedience to help prepare pastors, churches, families and small groups to be instruments of righteousness and love in their spheres of influence.

Prayer Requests: Father we ask You...

1. For continued wisdom and guidance for Venture Christian Church and Living on the Edge executive teams as Chip and Theresa transition to a full time focus on Living on the Edge ministry by the end of this month.
2. For God’s favor with these strategic opportunities with thousands of pastors and churches in the United States, resulting in changed lives across America.
3. That God will raise up a new generation of prayer warriors to partner with Living on the Edge as we step out boldly across the United States, China and the Middle East.
