

TOP THREE PRAISES

Our incredible week with Pastors at the Billy Graham Center—helping them to become High Impact Communicators of God's Word.

His work through Chip's teaching on Ephesians 6: **The Invisible War** on spiritual warfare at the Billy Graham Center and for the excellent video capture to share with others on TV, YouTube, and new group Bible study.

Clear direction for our team for 2020 and His protection from the evil one.

TOP THREE REQUESTS

That God would grant supernatural wisdom, guidance and conviction as 490 high school and college groups are currently going through our new **Why I Believe** Group Bible Study.

That God would direct and empower Chip and our team as he teaches 500 pastors in New York and introduces them to **The Real God** church-wide discipleship campaign for their churches.

For God's power, protection, and wisdom for Chip as he teaches **True Spirituality** Romans 12 book/sermons/training in China and equips leaders in Singapore at the end of this month.
