

TOP THREE PRAISES

For God's wisdom, direction and discernment given to our board of directors and an excellent meeting last month.

That God provided the opportunity for Theresa and I to minister to hundreds of active military couples last month in North Carolina in partnership with The Billy Graham Training Center at The Cove.

For the incredible testimonies of life change and obedience to God's call that we received from across the globe, many people embracing their individual missions (Holy Ambitions)—from a pastor in Bangkok, small groups in Singapore, to serving veterans and the homeless in the US. Praise God for all He is doing!
