

## TOP THREE PRAISES

For the out-pouring of generosity from you, our ministry partners, throughout the Mid-Year Match, so that we can help more people in the coming months.

Tim Innes joined our team as the Vice President of International Ministry. Tim was previously with the Luis Palau Association and the Billy Graham Evangelistic Association.

For the thousands of parents who have used the free online resource, **Navigating Life with Adult Children**.

## TOP THREE REQUESTS

That God would provide wisdom as we prepare discipleship resources to help Christians live like Christians in these days of conflict and division.

That God's people and His church would lead the way in loving and caring for others in these challenging times.

That God would continue to use our broadcasts and other discipleship resources to change lives, restore marriages, and heal families.
