

TOP THREE PRAISES

For His generous provision through the Living on the Edge family—to extend the ministry in the U.S. and around the world.

We are releasing **Discover Your True Self** – book, small group materials, and teaching series to help God’s people grasp and live out of their identity in Christ.

The Lord opened an incredible door for us to train pastors and leaders from 18 cities across China. These leaders minister to over 200,000 believers.

TOP THREE REQUESTS

For the thousands who will join Chip and apply this month’s teaching series on “How to Love Our Neighbors as Ourselves.”

Chip’s teaching from the book of James entitled "The Biblical ART of Survival" will be distributed throughout the Middle East, India, Southern Africa, Pakistan, Romania and Eastern Europe.

For pastors and ministry leaders in the U.S. and around the world as they continue to deal with uncertainties around opening churches.
